## Appeal to Register for Over the Credit Hour Limit

Students may not enroll in more than 18 credit hours in one semester (Fall or Spring) and may not enroll in more than 8 credit hours in one 6-week summer session (Summer) without approval of their academic dean's office. If approved, the maximum number of credits that may be taken in a fall/spring semester is 21 credits. Juniors and seniors must have a 3.00 cumulative GPA in order to appeal to register for over the credit hour limit. First-year students and sophomores ordinarily are not given permission to enroll in excess hours.
